

Appendix A – Screening and SA of Options for Changes, Deletions and Additions to Proposed Sites

The SA initially appraised the emerging options for sites and the findings of the SA informed the decision-making process. Those sites that best promoted socio-economic benefits and minimised adverse environmental effects were progressed to the proposed Modifications. Subsequent refinements or changes such as development quantum were noted and screened for significance with regard to the findings of the SA, particularly with regard to cumulative effects.

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
SWDP 43: Worcester City Allocations (formerly SWDP 6: Worcester City Allocations)		
A1. Housing	<p>Overall change since the published SWDP (January 2013) – an increase in the number of dwellings from 431 to 1784.</p> <p>Proposed changes to existing sites in the Plan:</p> <ul style="list-style-type: none"> ■ SWDP43/12 Brookthorpe Close (7 dwellings) - Increase in the provision of housing by 3 dwellings (new total of 10 dwellings). ■ SWDP43/4 Old Northwick Farm (40 dwellings subject to FRA) - Boundary change and an increase in housing provision by 5 dwellings (new total of 45 dwellings). ■ SWDP43/7 Sansome Walk Swimming Pool (40 dwellings) - Reduction in housing provision by 7 dwellings (new total of 33 dwellings). ■ SWDP43/2 Gregory's Bank Industrial Estate (140 dwellings) - Increase in housing provision by 24 to 164 	<p>In light of the proposed additions and other changes to allocations under Policy SWDP 43: Worcester City Allocations A1. Housing that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.</p>

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	<ul style="list-style-type: none"> ■ SWDP43/9 Old Brewery Service Station, Barborne Road (6 dwellings) - Increase in provision of housing by 6 dwellings (new total of 12 dwellings). ■ SWDP43/19 Cedar Avenue / Blackpole Road (residential / residential and B1 Business use) (115 dwellings and 1.2 ha employment) - Reduction in housing provision by 30 dwellings (new total of 85 dwellings). Followed by an increase in housing provision again by 30 dwellings (new total 115 dwellings). ■ WC005 – Land at Ambrose Close (25 dwellings) – Reduction in housing provision by 1 dwelling (new total 24 dwellings). ■ WC019 – Earls Court Farm (Community Land) (15 dwellings) – Reduction in housing provision by 2 dwellings (new total 13 dwellings). ■ WC022 – Zig Zag Site, St John's (15 dwellings) – Reduction in housing provision by 5 dwellings (new total 10 dwellings). ■ WC023 – The Bridge Inn, Lowesmoor Terrace (20 dwellings) – Reduction in housing provision by 5 dwellings (new total 15 dwellings). ■ WC027 – Coach Park adjacent to Barley Crescent (8 dwellings) – Reduction in housing provision by 1 dwelling (new total 7 dwellings). ■ WC018 – Tolladine Golf Course (Club House and Putting Green) (30 dwellings) – Reduction in housing provision by 21 dwellings (new total 9 dwellings). Proposed mod's has returned this to 30 dwellings. 	

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	<p>The following new sites are being considered: WC001 – Bromwich Road (11 Dwellings); WC002 – Martley Road (18 dwellings); WC003 – Malvern Gate (45 dwellings); WC006 – Land at Hopton Street (30 dwellings); WC007 – Land at Medway Road (10 dwellings); WC008 – Land at Sabrina Avenue (12 dwellings); WC009 – County Council Offices, Sherwood Road (15 dwellings); WC010 – County Council Offices, Bilford Road (15 dwellings); WC012 – Laughern Garage, Bransford Road (10 dwellings); WC013 – Lowesmoor Wharf (100 dwellings); WC014 – Crown Packaging Site (200 dwellings); WC015 – Crown Packaging Offices and Car Park (40 dwellings); WC016 – Bromyard Terrace (30 dwellings); WC017 – Battenhall Road (former NALGO Sports Ground) (20 dwellings); WC020 – Royal Mail Sorting Office, Westbury Street (20 Dwellings). (This site had been considered to SA in 2011); WC021 – Langdale Drive (10 dwellings); WC024 – Rose Avenue (8 dwellings); WC025 – Holy Trinity Church, Lichfield Avenue (8 dwellings); WC026 – Cavalier PH St George's Lane (8 dwellings); WC029 Brickfields Road (10 dwellings); WC030 – 23 – 24 Foregate Street (10 dwellings); WC031 – Christian Meeting Room, Diglis Lane (17 dwellings); WC032 – White Ladies Close (C2 Apartments) (37 dwellings); WC033 – East Bank Drive (C2 Apartments) (38 dwellings); WC035 - Bransford Road (158 dwellings); WC036 – Diglis Basin, Diglis Dock Road (150 dwellings); WC038 – Worcester City Football Club (98 dwellings); WC039 – Earls Court Farm (15 dwellings); WC040 – Gresham Road (51 dwellings); WC041 – Heenan & Froude Social Club (16 dwellings); WC042 – Chamberlain House,</p>	

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	Armstrong Drive (22 dwellings).	
A2. Mixed Uses	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 480 to 544.</p> <p>Proposed changes to existing sites in the Plan:</p> <ul style="list-style-type: none"> ■ SWDP43/13 Claines Recreation Ground and adjacent land (housing, British Legion Club House, sports facilities and super play area) (15 dwellings)- Boundary change and increase in housing provision by 21 dwellings (new total of 36 dwellings). The site also contains site WC011 for a playing field allocation. ■ SWDP43/14 Former Ronkswood Hospital (care home, care village and residential) (200 dwellings) - Reduction in housing provision by 19 dwellings (new total of 181 dwellings). ■ SWDP43/18 Grove Farm (medical centre, business innovation centre, research and development, university campus) (11 ha) - Site to provide 100 dwellings. No change to the other uses to be provided. 	In light of the proposed changes to the two allocations under Policy SWDP 43: Worcester City Allocations A2. Mixed Uses that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All existing allocations under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.
A4. Other Uses	For site SWDP43/25 School of Art and Design, Barbourne (care home) (0.701 ha other use). - Removal of care home, there is a proposed increase of 1 dwelling only as care home was equivalent to 59 dwellings (C2 apartments).	The change is unlikely to significantly affect the findings of SA Report (Integrated Appraisal) (November 2012) or the SA Addendum Report (July 2013).
SWDP 44: Worcester		

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
City Centre (formerly SWDP 7: Worcester City Centre)		
B. Opportunity Zones	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 470 to 716.</p> <p>For site SWDP44/4 Shrub Hill (350 dwellings plus student and care accommodation (equivalent to 17 dwellings)), there is a proposed increase in housing provision by 229 dwellings (new total of 596 dwellings).</p> <p>For site SWDP44/6 Cathedral Quarter and Sidbury, there is a proposed boundary change to include WC028 – Royal Worcester Porcelain Site.</p>	<p>Given the increase in housing provision and other changes, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision under Policy SWDP 44: Worcester City Centre B. Opportunity Zones. All existing allocations under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.</p>
SWDP 45: Directions for Growth Outside the City Boundary (formerly SWDP 8: Direction for Growth Outside the City Boundary)	<p>A new strategic site is being considered, WC004 – East of Swinsherd Way (300 dwellings).</p>	<p>As this is a strategic allocation a separate more detailed SA has been carried out and is presented in Appendix D.</p>
	<p>For site SWDP45/2 Temple Laughern (Worcester West urban extension) (approx. 975 dwellings and 5 ha employment), there is a proposed increase in housing provision by 1175 dwellings (new total of 2150 dwellings).</p>	<p>Given the scale of the change, this site has been subject to fresh SA included in Appendix D.</p>
	<p>For site SWDP45/1 Broomhall Community and Norton Barracks Community (Worcester South urban extension) (20ha employment and approx. 2450 dwellings), there is a proposed increase in housing provision by 159 dwellings (new total of</p>	<p>It is anticipated that the magnitude of the negative effects already identified in the previous SA against a number of SA Objective (Communities, Travel & Transport, Pollution, Water, Climate Change and</p>

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	2609 dwellings).	Health) will not change given the small size of the increase compared to the amount of development proposed. Therefore, the change it is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
	For site SWDP45/3 Kilbury Drive (Worcester East urban extension) (250 dwellings), there is a proposed increase in housing provision by 6 dwellings (new total of 256 dwellings).	The size of the increase compared to the amount of development proposed is small and therefore it is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
	For site SWDP45/4 Gwillam's Farm (Worcester North urban extension) (250 dwellings), there is a proposed reduction in housing provision by 5 dwellings (new total of 245 dwellings).	The small decrease in housing provision is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
SWDP 46: Pershore Allocations (formerly SWDP 18: Pershore Allocations)	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 66 to 233.</p> <p>Changes to existing sites in the Plan:</p> <ul style="list-style-type: none"> ■ Change to phasing of the development for site SWDP46/1 Garage, High Street (mixed use) (20 dwellings). ■ SWDP46/5 Land adjacent Conningsbury Drive (10 dwellings) - Reduction in housing provision by 3 dwellings (new total of 7 dwellings). <p>The following new sites are being considered: WY053 – Depot on New Road (10 dwellings); WY054 – The Ford House, Station Road (12 dwellings); WY055 – Land at Holloway (38 dwellings);</p>	In light of the proposed additions and other changes to allocations under Policy SWDP 46: Pershore Allocations that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	WY056 – Land South of Wyre Road (93 dwellings); and WY057 – Land off Defford Road (17 dwellings).	
SWDP 47: Pershore Urban Extension (formerly SWDP 19: Pershore Urban Extensions)	For site SWDP47/1 Land to the north of Pershore, there is a proposed boundary change with the parcels of land to the east of Station Road removed and extension of land to the north (similar to what the original northern boundary was like in 2011). There is also a proposed increase in housing provision by 50 dwellings (new total of 650 dwellings).	The size of the increase compared to the amount of development proposed is small and therefore it is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
SWDP 48: Droitwich Spa Allocations (formerly SWDP 9: Droitwich Spa Allocations)	Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 226 to 332. The following new sites are being considered: WY046 – Land off Vines Lane (6 dwellings); and WY47 – Tagwell Road (100 dwellings).	Fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision under Policy SWDP 48: Droitwich Spa Allocations. All allocations, existing and new, under this policy have been considered in the fresh SA Please see Appendix E.
SWDP 49: Droitwich Spa Urban Extension	A new strategic site now has planning permission and is proposed to be allocated as it is in effect an urban extension of an identified Main Town in the SWDP. For site SWDP49/1 Copcut Lane (approx. 740 dwellings, 3.5 ha employment), there is a proposed change to the phasing of the development.	As this is a strategic allocation a separate more detailed SA has been carried out and is presented in Appendix D. The change in the phasing of the development is unlikely to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
SWDP 50: Evesham Allocations (formerly SWDP 11: Evesham Sites)	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 490 to 510.</p> <p>Proposed changes to existing sites in the Plan:</p> <ul style="list-style-type: none"> ■ SWDP50/1 Land at the bottom of Peewit Road (63 dwellings) - the site has been included as part of SWDP 51/2 Pershore Road, Hampton. ■ SWDP50/3 Nursery at Bewdley Lane/ Blind Lane (56 dwellings) – deleted as site has planning permission which has been implemented. <p>The following new sites are being considered: WY048 – 26 Cowl Street (7 dwellings); WY049 – Land Off Sawmills Lane & to the Rear of Coxlea Close (40 dwellings); WY050 – Cowl Street (7 dwellings); WY051 – Land at Aldington Lodge, Offenham Road (60 dwellings); and WY052 – Former Garage and Depot, Brick-Kiln Street (25 dwellings).</p>	<p>In light of the proposed additions, deletions and other changes to allocations under Policy SWDP 50: Evesham Allocations that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.</p>
SWDP 51: Evesham Urban Extensions	<p>SWDP 51: Evesham Urban Extensions - Policy B. SWDP51/2 South of Pershore Road, Hampton (400 dwellings) - This now includes site SWDP50/1 Land at the bottom of Peewit Road which has increased the number of dwellings to be provided by 1 dwelling only and has the benefit of a planning permission.</p>	<p>Development now is likely to be more dispersed which could reduce the impact on and support the Green Infrastructure on the site, which is considered to be of good quality¹. Given the small scale of the change, the development is unlikely to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).</p>

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
SWDP 52: Malvern Allocations (formerly SWDP 13: Malvern Sites)	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 147 to 484.</p> <p>For site SWDP52/4 Homestead, Halfkey (6 dwellings), a proposed by 1 dwelling (new total 5 dwellings).</p> <p>The following new sites are being considered: Land at Lower Howsell Road (former allotments) (81 dwellings); Land at Mill Lane, Poolbrook (62 dwellings); Pickersleigh Grove (part of Hayslan Fields) (44 dwellings); Former Railway Sidings, Peachfield Road (20 dwellings); Victoria Road Car Park (21 dwellings); Land Off Brook Farm Drive, Poolbrook (77 dwellings); and Broadlands Drive, Malvern (33 dwellings).</p>	Fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision under Policy SWDP 52: Malvern Allocations. All allocations, existing and new, under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.
SWDP 53: Malvern Technology Centre (QinetiQ) (approx. 250 dwellings, at least 4.5 ha employment) (formerly SWDP 14: Qinetiq)	Increase in the provision of housing by 50 dwellings (new total of 300 dwellings).	The size of the increase compared to the amount of development proposed is small and therefore it is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
SWDP 56: Development at north east Malvern (700 dwellings, 10 ha employment) (formerly SWDP17 -	Increase in the provision of housing by 100 dwellings (new total of 800 dwellings).	It is anticipated that the magnitude of the negative effects already identified in the previous SA against a number of SA Objective (Biodiversity and Geodiversity, Historic Environment, Pollution, Water and landscape and Townscape) will not change given the small size of the increase compared to

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
Development at Newland)		the amount of development proposed. Therefore, the change it is not considered to significantly affect the findings of the SA Report (November 2012) or the SA Addendum Report (July 2013).
SWDP 57: Tenbury Wells Allocations (formerly SWDP 20: Tenbury Wells Sites)	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 70 to 162.</p> <p>For site SWDP57/1 Land Opposite Morningside (30 dwellings), there is a proposed increase in housing provision by 13 dwellings (new total of 43 dwellings).</p> <p>The following new sites are being considered: Land at Mistletoe Row, Oldwood Road (44 dwellings); and Land South of the Oaklands, Tenbury (35 dwellings).</p>	In light of the proposed additions and other changes to allocations under Policy SWDP 57: Tenbury Wells Allocations that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix E of the SA Addendum 2014.
SWDP 58: Upton-upon-Severn Allocations (formerly SWDP 21: Upton-upon-Severn Allocations)	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 25 to 138.</p> <p>The following new sites are being considered: New sites: Land Adjacent to Ryall House Farm, Ryall (5 dwellings) (site rejected); Land at Welland Road, Upton (43 dwellings); Land at Sunny Bank Meadow, Holly Green (Extension) (15 dwellings) (site rejected); and Land at Upton Marina (70 dwellings).</p>	Fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision under Policy SWDP 58: Upton-upon-Severn Allocations. All allocations, existing and new, under this policy have been considered in the fresh SA Please see Appendix E.
SWDP 59: Category 1 Village Allocations (formerly SWDP 23 Category 1 Village Sites)		

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
Mavern Hills Villages	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 406 to 823.</p> <p>Proposed changes to existing sites include:</p> <ul style="list-style-type: none"> ■ SWDP59/9 Lower Broadheath, Land North of Bell Lane, south of Martley Road (40 dwellings) - increase in the provision of housing by 8 dwellings (new total of 48 dwellings). ■ SWDP59/7 Hanley Swan, Land at Yew Tree Farm (20 dwellings) – deleted as the landowner has written to say it is no longer available. ■ SWDP59/4 Great Witley, Land adjacent to the Primary School (23 dwellings) - increase in the provision of housing by 4 dwellings (new total of 27 dwellings). ■ SWDP59/2 Abberley Common, Land West of Apostle Oak Cottage, Abberley Common (10 Dwellings) - increase in the provision of housing by 4 dwellings (new total of 14 dwellings). ■ SWDP 59/11 Strand Cottages, Peachley Lane, Lower Broadheath, (6 dwellings) – boundary has been extended. <p>The following new sites are being considered: New sites: Walshes Farm, Abberley Common (15 dwellings); Church House Farm, Clifton upon Teme (17 dwellings); Braithwaites Yard, Hallow (9 dwellings); 123a Main Road, Kempsey (10 dwellings); Land North of Brookend Lane (adjacent to the Limes), Kempsey (120 dwellings); Land North</p>	<p>In light of the proposed additions, deletions and other changes to allocations under Policy SWDP 59: Category 1 Village Allocations Malvern Hill Villages that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix F of the SA Addendum 2014.</p>

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	of Marlbank Road (South), Welland (24 dwellings); Land Adjacent Primary School, Martley (14 dwellings); Lawn Farm, Drake Street, Welland (50 dwellings); Land between Old Post Office and Church Farm, Drake, Welland (30 dwellings); The Royal Oak PH, Hallow (8 dwellings); Land South of Greenhill Lane, Hallow (30 dwellings); Land at Bight Farm, Kempsey (Extension) (52 dwellings); and Land adjacent to Henwick Mill House Martley Road, Lower Broadheath (42 dwellings) (previously considered as part of the Worcester West Urban Extension, now a separate site).	
Wychavon Villages	<p>Overall change since the published SWDP (May 2013) – an increase in the number of dwellings from 613 to 1081.</p> <p>Proposed changes to existing sites include:</p> <ul style="list-style-type: none"> ■ SWDP59/14 Badsey, Land off Banks Road (30 dwellings) - increase in the provision of housing by 9 dwellings (new total of 39 dwellings). ■ SWDP59/17 Broadway, Land to the East of Kingsdale Road (12 dwellings) - increase in the provision of housing by 1 dwelling (new total of 13 dwellings which has planning permission). ■ SWDP59/20 Hartlebury, Land West of Worcester Road (100 dwellings) – The site has the benefit of planning permission for 92 dwellings. ■ SWDP59/22 Inkberrow, Land off Stonepit Lane / land east of Withybed Lane (combined / extended site) (100 dwellings which has planning permission 	In light of the proposed additions, deletions and other changes to allocations under Policy SWDP 59: Category 1 Village Allocations Wychavon Villages that have taken place since 2011, a fresh SA has been undertaken to reassess cumulative effects with regard to overall increases in housing provision. All allocations, new and existing, under this policy have been considered in the fresh SA. Please see Appendix F of the SA Addendum 2014.

Policy Number & Description	Summary of Options for Proposed Changes, Deletions and Additions to Sites	Screening - do the changes, deletions and additions significantly affect the findings of the Pre-submission Consultation: SA Report (Integrated Appraisal) (November 2012) or the South Worcestershire Development Plan Submission: SA (Integrated Appraisal) Addendum Report (July 2013) or do they give rise to significant environmental effects?
	<ul style="list-style-type: none"> ■ SWDP59/23 Offenham, Land off Main Street (30 dwellings) – deleted as planning permission for the site has been implemented. ■ SWDP59/25 Ombersley, The Racks (East) (34 dwellings) - Phasing of development has changed. ■ SWDP59/27 Wychbold, Crown Lane (60 dwellings) - Increase in the provision of housing by 8 dwellings (new total of 68 dwellings which has planning permission and construction has started)). <p>The following new site allocations are no longer being pursued in the Main Modifications but are still considered through the SA: WY001 - Land at Horsebridge Avenue, Badsey (30 dwellings); WY002 - Land to the Rear of 34 Bretforton Road, Badsey (50 dwellings); WY003 – Land opposite Horsebridge Avenue, Badsey (36 dwellings); WY004 – Land Off Tewkesbury Road, Bredon (98 dwellings); WY005 – Land Off Cheltenham Road, Bredon (33 dwellings); WY006 – Sheldon Avenue Garage Court, Broadway (5 dwellings); WY007 – Land Adjacent to harveard Avenue, Off Stratford Road, Honeybourne (60 dwellings); WY008 – Land at Laurels Road, Offenham (25 dwellings); WY009 – Spencer Commercial Services Ltd, Evesham Road, Offenham (9 dwellings); WY010 – Land South of Three cocks lane, Offenham (30 dwellings); WY011 – Land to the Rear of Shrubbery House, Ombersley (10 dwellings); WY012 – Land Off Cross Keys, Ombersley (30 dwellings); and WY013 – Land Adjacent the Poachers Pocket, Wychbold (10 dwellings).</p>
