In parallel with the South Worcestershire Development Plan (SWDP), the South Worcestershire Councils (Worcester City, Malvern Hills and Wychavon District Councils) are synchronising the process of preparing a Community Infrastructure Levy (CIL). Following consultation on the Preliminary Draft Charging Schedule (PDCS) in February/March 2015, work to update CIL has been carried out and each authority now intends to submit a **Draft Charging Schedule (DCS)** in 2016 for Examination. The updated timetable changes are reflective of the latest Local Development Scheme timetable, which came into force on 1 October 2015.

The South Worcestershire Councils are therefore now inviting representations on the DCS, prior to submission.

Please submit your representation by using this form and answering the questions below. If you need to continue on separate sheet, please remember to state which question you are responding to.
