Dear Sir

**Notification of Community Infrastructure Levy (CIL) – Draft Charging Schedule (2016) Consultation**

I refer to your email (dated 31 March 2016) and the Community Infrastructure Levy – Draft Charging Schedule (2016), which we received on 31 March 2016.

For completeness, we commented on the South Worcestershire Development Plan (SWDP) CIL revised preliminary Draft Charging Schedule (February 2015) on 27 March 2015.

We understand that the current consultation comprises of the second stage, relating to the Draft Charging Schedules, including each South Worcestershire Council's (SWCs) Levy rates.

We welcome the updates to Appendix A (CIL Regulation 123 List) as recommended in our previous response, including the inclusion of 'Flood Warning Service provision (maintenance, forecasting, warning and modelling)' and the amendments to the Open Space / Green Infrastructure section of the table.

At this time we are also in receipt of a consultation relating to the South Worcestershire Infrastructure Delivery Plan (SWIDP) Revision 2016. We understand that through this consultation the SWCs are seeking to update the schedule of infrastructure requirements required to deliver the SWDP (Appendix Y of the SWIDP, October 2014). We will provide our response to this consultation separately, in due course.

I trust that the above is of use to you at this time.

Yours faithfully

**Mrs Tessa Jones**  
**Senior Planning Advisor**
