

Dear Sir / Madam,

9 February 2015

Traveller and Travelling Showpeople Site Allocations Development Plan Document (DPD)

The South Worcestershire Councils (Malvern Hills, Worcester and Wychavon), are in the process of preparing a Traveller and Travelling Showpeople Site Allocations Development Plan Document (DPD) that will identify land to accommodate Travellers and Travelling Showpeople across south Worcestershire.

As part of this process, the South Worcestershire Councils are undertaking a 'Call for Sites' which provides an opportunity for individuals and organisations to suggest any sites that they consider might be suitable for allocation as a Traveller or Travelling Showperson site. Proposals could be for either new sites or an expansion or intensification of an existing site. Proposals are invited for permanent residential sites or transit sites / temporary stopping places.

All sites submitted will undergo a rigorous assessment against specific criteria to assess their potential suitability. Submitting a site for consideration does not guarantee that it will be found suitable or that it will be allocated as part of the emerging DPD. Any sites that are included within the DPD would still be required to follow the normal planning procedures in securing planning permission.

If you wish to submit a potential site for consideration then Background Information on the Call for Sites and a Site Submission Form are enclosed. Further information about the Traveller and Travelling Showpeople Site Allocations DPD and an electronic copy of the Sites Submission Form are available on the following webpage - http://www.swdevelopmentplan.org/?page_id=9752 .

The deadline for suggesting potential sites as part of this 'Call for Sites' is 9:00am on 30th March 2015.

Completed Site Submission Forms, which must include a map (ideally at a scale of 1:1250 or 1:2500) clearly identifying the boundaries of the suggested site(s), can be sent by Email to: contact@swdevelopmentplan.org ;
or

By post to: South Worcestershire Development Plan, c/o Wychavon Civic Centre, Queen Elizabeth Drive, Pershore, Worcestershire, WR10 1PT

If you have any queries about the call for sites please contact the Worcestershire Hub on 01684 862151.

Yours faithfully,

P Bayliss
