Dear Sir / Madam,

Traveller and Travelling Showpeople Site Allocations Development Plan Document (DPD)

The South Worcestershire Councils (Malvern Hills, Worcester and Wychavon) are preparing a Traveller and Travelling Showpeople Site Allocations Development Plan Document (DPD) that will identify land to meet the requirement to accommodate Travellers and Travelling Showpeople across south Worcestershire.

As part of this process, the South Worcestershire Councils are undertaking a further 'Call for Sites' exercise which provides an opportunity for individuals, agents, landowners and developers to suggest sites that they consider might be suitable to allocate in the DPD. Proposals could be for either new sites or an expansion or intensification of an existing site. Proposals are invited for permanent residential sites or transit sites / temporary stopping places.

This invitation follows a similar call for sites in February/March 2015. Some potentially suitable sites were identified then but additional sites are now necessary to ensure that there is a sufficient supply of suitable sites to meet the pitch requirements set out in the South Worcestershire Development Plan.

All sites submitted will undergo a rigorous assessment against specific planning criteria to assess their potential suitability. Submitting a site for consideration does not guarantee that it will be found suitable or that it will be allocated as part of the emerging DPD. Any sites that are included within an adopted DPD would still require planning permission.

If you wish to submit a potential site for consideration then please complete the attached Site Submission Form. A separate Site Submission Form should be completed for each site. All site submissions must include a map (ideally at a scale of 1:1250 or 1:2500) clearly identifying the boundaries of the suggested site(s).

Please note: There is **no** need to submit any sites that you previously submitted to the February/March 2015 "Call for Sites", or where you have written to ask for a site to be considered through the Site Allocations DPD process; or are already included in the Site Allocations Preferred Options Document (March 2016), unless you wish to make any changes to previously submitted sites (for example site area, land ownership, new access), or wish to withdraw any site(s) from further consideration.

Further information about the Traveller and Travelling Showpeople Site Allocations DPD and an electronic copy of the Sites Submission Form are available on the following webpage -

The deadline for suggesting potential sites as part of this 'Call for Sites' is 9:00am on Monday 9th January 2017.
