

The map displays the area around Hinton on the Green. Key features include:

- Development Boundary:** A black outline enclosing the main residential and commercial area.
- PO Significant Gaps for Deletion:** A green shaded area located south of the main development, near the river.
- Geographical Features:** The River Avon flows through the area, with several weirs and a weir. A drain is located to the west.
- Infrastructure:** Station Road runs through the center, with a playing field to the west. A track runs along the river.
- Buildings and Landmarks:** The Hawthorns, The Old Rectory, and Manor Farm are labeled. A sewage pumping station is also shown.
- Distances:** Various distances are marked along the river and roads, such as 45m, 37m, 38m, and 30m.

Legend:

- PO Significant Gaps for Deletion (Green shaded area)
- Development Boundary (Black outline)
