Mr P Bayliss  
Project Manager  
South Worcestershire Development Plan

31 March 2014

Dear Mr Bayliss

## **INSPECTOR'S FURTHER INTERIM CONCLUSIONS ON THE OUTSTANDING MATTERS CONSIDERED AT THE RECONVENED STAGE 1 HEARINGS**

I am writing to give you my further interim conclusions on the outstanding matters that were considered at the reconvened Stage 1 hearing sessions earlier this month.

My further interim conclusions are set out in the enclosed paper and are given here without prejudice to the conclusions that will appear in my report at the end of the examination. **Bold type** in the text indicates points on which a modification to the Plan or further action by the South Worcestershire Councils is recommended.

I am not inviting comments from the Councils or any other party on my interim conclusions. However, I would ask the Councils to let me know as soon as possible, via the Programme Officer, if there are any points of fact or clarification you wish me to address.

At the final hearing session on 14 March 2014 there was discussion of the options open to the Councils following receipt of these further interim conclusions. Accordingly, I would be grateful if you would inform me via the Programme Officer, as soon as you are able to, whether the Councils intend to progress the Plan and if so, provide a timetable and programme of work up to and including public consultation on any additional sites and other modifications that may be proposed. This will help the examination to move on to Stage 2 as quickly as possible.

Yours sincerely

*Roger Clews*
