South Worcestershire Development Plan Main Modifications: 9 October – 20 November 2015

Please use a separate sheet for each modification number.

Your Name / Organisation Name (if relevant)
(for tracking purposes only)

4. Which Main Modification does your representation relate to?					
Main Modification Number	MM				
5. Do you consider the Main Modification to be legally compliant?					
Yes		No		No Comment	
6. If you consider the Main Modification to be unsound, please identify which test of soundness your comments relate to? (tick all that apply)					
Positively prepared			Effective		
Justified			Consistent with National Policy		

As mentioned above, these are the tests of soundness to which your comment(s) should relate:

- **Positively Prepared** – the plan should be prepared based on a strategy which seeks to meet objectively assessed development and infrastructure requirements, including unmet requirements from neighbouring authorities where it is reasonable to do so and consistent with achieving sustainable development;
- **Justified** – the plan should be the most appropriate strategy, when considered against the reasonable alternatives, based on proportionate evidence;
- **Effective** – the plan should be deliverable over its period and based on effective joint working on cross-boundary strategic priorities; and
- **Consistent with National Policy** – the plan should enable the delivery of sustainable development in accordance with the policies in the National Planning Policy Framework.

Additional sheet for responses to individual modifications – to be appended to main form as required

Part A

Please use a separate sheet for each reference number.

Please give details of why you consider the Main Modification is not legally compliant or is unsound. Please be as precise as possible. If you wish to support the Main Modification please also use the box below to set out your comments.

Please note - your representation should provide evidence and information to support / justify your representation and any suggested change.

Where there are a large number of identical or very similar responses to a particular modification, it would assist the Inspector if individuals could work together on presenting a joint representation.

Your representation should relate only to the current Main Modifications.

Part B

Please set out what change(s) you consider necessary to make the Main Modification legally compliant or sound, having regard to the test(s) you have identified above. You will need to say why this change will make the Main Modification legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Your representation should relate only to the current Main Modifications.
