Following consultation on the Draft Charging Schedule (DCS) in April/May 2016, a statement of modifications schedule has been produced to accompany the CIL examination submission material. The statement of modifications lists the proposed changes the SWC are seeking to make to the CIL charging schedule as a result of representations received during the DCS consultation period (schedule 1), and any other minor amendments that the SWC have identified in reviewing the draft documentation prior to submission (schedule 2).

The South Worcestershire Councils are therefore now inviting representations on the statement of modifications, prior to undertaking the CIL examination hearing sessions.
