

8 October 2020

Dear Sir / Madam,

Traveller and Travelling Showpeople Site Allocations Development Plan Document (DPD)

You may recall that we previously contacted Travellers and Travelling Showpeople living in Wychavon, Worcester and Malvern Hills to see if they owned land suitable for the development of new or expanded Traveller sites or transit sites. Unfortunately, not enough suitable sites were submitted to us and so we are again asking for you to submit sites for our consideration. If you have previously submitted a site to us, you do **not** need to do so again, unless you wish to change any of the details – e.g. the boundaries of the site.

If suitable, the site will be allocated as a new or expanded Traveller site in the DPD. Planning permission will still be required before the site is developed and brought into use.

Generally, sites within the Green Belt, Areas of Outstanding Natural Beauty or liable to flooding will not be suitable. All sites will be assessed against a list of planning criteria and submitting a site for consideration does not guarantee that it will be found suitable or that it will be allocated as part of the emerging DPD.

Please use the attached Site Submission Form to submit any sites and include a map (at a scale of 1:1250 or 1:2500) clearly identifying the boundaries of the suggested site(s). **The deadline for suggesting potential sites as part of this 'Call for Sites' is 5pm on Thursday 19 November 2020.**

Please send your completed submission form(s) and location map(s) to:

email: contact@swdevelopmentplan.org or

South Worcestershire Development Plan, Wychavon Civic Centre, Queen Elizabeth Drive, Pershore, WR10 1PT

Further information is available at: (Link to webpage) or please contact the planning support team on 01386 565 565.

Yours faithfully

D M Duggan
